Programming

The **OIE Program Center** is an active space visited by over 3,500 people each year. It is a home for Marquette international students to gather and reflect on their common MU experiences and a center for international activities on campus.

The space is frequently used for **curricular and extracurricular activities**, including meetings and events led by OIE and organizations such as Spanish Honor Society, Saudi Student Union, Muslim Student Association, Arab Student Association, Hmong Student Association, Universities Fighting World Hunger, Delta Sigma Theta, Chinese Club, and Club Global.

It is also home to thriving culture and **language exchange programs** such as the Arabic Language and Culture Club, La Tertulia (Spanish exchange) and the Chinese/English Language Exchange.

The Office of International Education also provides venues for international students to connect more deliberately with the Marquette and Milwaukee communities through two programs: The **International Friendship Program**, which matches students with local community members, providing an opportunity for regular cultural exchange and insight into a 'typical' Milwaukee family life; and the **Peer Mentoring Program**, which connects new international students with current students to help them adjust during their first semester at Marquette.

Throughout the year, OIE sponsors numerous notable campus-wide events. The calendar thus far includes:

- Study Abroad Fair (Sept. 6) & Info Sessions (Sept. 9-13)
- Global Discussion Series: What's Next for Asia? (Oct. 15)
- Marquette Family Weekend Open House (Oct. 5)
- Global Discussion Series: What's Next for Sub-Saharan Africa? (November 15)
- International Education Week Programs (Nov. 15-22)
- International Research Poster Session (Dec. 3)
