Student credit hours are classified by college and department offering the course, not by the student enrolled in the class. Other includes Reserve Officer Training Corps, Office of International Education, and Graduate School student credit hours. Regardless of the subject of the class, student credit hours of classes with section numbers corresponding to the Professional Studies have been moved to Professional Studies. The course level is determined by the catalog number of the course. In fall 2009, the university moved to a new course numbering system. The level of a course in the new system may be different from its level in the old system.
