Fall semester census of human resources data is November 1.

Participating faculty are full- or part-time faculty who **do not** hold a tenure/tenure-track rank.

Effective fall 2010, the U.S. Department of Education required all colleges/universities to change the way race/ethnicity data is collected and reported. Starting in fall 2010, the "Asian and Pacific Islander" category is disaggregated into "Asian" and "Native Hawaiian and Other Pacific Islander," and employees and students selecting multiple races are categorized as "Two or More Races." Because of these significant changes, time series of individual race/ethnicity categories should be analyzed with caution.

"Other" includes the Aspin Center, Campus International, Counseling Center, International Education, Provost's Office, Research Compliance, Transformation of Learning, Trinity Fellows, and Urban Life.
