Some students received degrees in more than one program.

Year shown in each column corresponds to the fall semester of each cohort's freshmen year.

College is based on each student's original college of admission their freshman year.

Data identifying the fall 1998 cohort are not available because of the transition from the legacy system to PeopleSoft that occurred in Fall 2004.

The College of Education was created in Fall 2008, and so six-year graduation rates for this college will be available beginning fall 2014.

Freshmen in the College of Professional Studies are excluded from this table.
