Statistics include all full and part-time enrolled students.

Starting in academic year 2008-2009, enrollment statistics exclude students exclusively auditing classes.

Effective fall 2010, the U.S. Department of Education required all colleges/universities to change the way race/ethnicity data is collected and reported. Starting in fall 2010, the "Asian and Pacific Islander" category is disaggregated into "Asian" and "Native Hawaiian and Other Pacific Islander", and employees and students selecting multiple races are categorized as "Two or More Races." Because of these significant changes, time series of individual race/ethnicity categories should be analyzed with caution.

The College of Education was created in fall 2008.

Professional Nursing represents students enrolled in the Doctor of Nursing Practice program, first offered in fall 2008.

Professional Health Sciences represents students enrolled in the Doctor of Physical Therapy program.
