Institutional Animal Care and Use Committee
Adverse Event or Unexpected Outcome Form

Directions: The Adverse Event or Unexpected Outcome Form should be completed and submitted to the Institutional Animal Care and Use Committee within the Office of Research Compliance within 24 hours of observing the event.

E-mail a copy of the report to IACUC@marquette.edu and follow-up with a signed copy of the form within 24 hours. Please drop off the form at the Office of Research Compliance.

Definition of an adverse event or unexpected outcome: Any happening not consistent with routine expected outcomes that results in unexpected animal welfare issues (death, disease, distress).

An example of adverse events that should be reported includes, but is not limited to the following:

- Animal death or illness from spontaneous disease when appropriate quarantine, preventive medicine surveillance, diagnostic, and therapeutic procedures were in place and followed.
- Animal death or injuries related to manipulations that fall within parameters described in the IACUC approved animal care and use proposal.

Please consult Frequently Asked Questions on Unexpected Outcome Reporting located on the Office of Research Compliance website at:
