Dear Applicant,

There are hundreds of reasons you could have downloaded this packet today, maybe a friend showed it to you, an RA talked to you about it, you stopped at an RHA table, or you saw information about it at your front desk. Regardless of the reason, you must be interested in becoming involved on campus. If you continue reading this letter and complete the attached application, you are on your way to improving your leadership skills and meeting other leaders on campus and in the Great Lakes area. This conference can provide you with unforgettable memories, new skills, and lifelong friends with not only Marquette students, but also delegates from all over Wisconsin, Michigan, Ontario, Illinois, and Indiana.

I understand that this can be a little overwhelming at first. The most important question you probably have is, “What is WURHA?!” WURHA stands for the Wisconsin University and Residence Hall Association. This conference is an annual gathering of schools that are also a part of this amazing organization. While you are there you will learn about other schools’ programming and organizations and be able to represent Marquette University and provide other schools with information about Marquette. This will be a weekend full of cheering and programs away from school at no expense to you. Don’t pass up this defining moment of your time here at Marquette.

Now on to logistics. Once the delegation has been chosen, they will be notified by email. We will be meeting weekly in the Student Suite in Carpenter Tower Mondays at 8:30pm. We will be meeting on the following dates: January 13, January 20, January 27, February 3, February 10, and February 17. Mark your calendars, because it is very important that you can attend EVERY meeting. Also make sure that you will be available the weekend of the conference, February 21st-23rd.

Please turn in the following information sheet and responses by Friday, December 6, at 4pm to the Carpenter front desk or in the RHA Suite if there is someone in there. I hope that you are able to be a part of this wonderful delegation and travel with us to the Michigan State University. If you have any questions, feel free to contact me at Brian.j.jacobs@Marquette.edu or by calling 414-288-5851.

Best of Luck,

Brian Jacobs
National Communications Coordinator
Please fill out completely and legibly to be considered
Delegate Name: Building & Room Number: 
Year: Gender: [Male] [Female]
Phone Number: Email: 

I am a part of (check all that apply): [NRHH] [RHA] [Hall Council] [Student Staff (RA, etc)] [Apartment Council]

First time delegate to GLACURH conference? [Yes] [No]

T-Shirt Size: Small

Can you make all of the meetings posted on the previous page in bold? [Yes] [No]

If not, which meetings can you make?
[Jan 13] [Jan 20] [Jan 27] [Feb 3] [Feb 10] [Feb 17]

Emergency Contact Information:
Name: 
Relationship to you: 
Day phone number: 
Evening phone number: 

Health Insurance Information:
Carrier: 
Group / ID Number: 

Special needs to be aware of (i.e. medical needs, allergies, transportation limitations, vegetarian, etc)
1) What are you involved in on campus? What can you bring to the Marquette Delegation that will make you indispensable? (This is your time to show your best attributes, please withhold all of the modesty)

2) Why do you want to come to WURHA 2014?

3) One thing that makes conferences so special is that students have the opportunity to put on programs. Programs, otherwise known as presentations, can range from student health, demonstrating a program idea, leadership tips for difference Residence Life roles, to anything else you can think of that will better Marquette’s campus. There are an infinite amount of ideas.
   a. Would you be willing to present a program? What ideas do you have?
   b. If you would prefer not to present a program, why do you want to attend other programs? What are you looking to get out of them?

4) Each year, WURHA sponsors a philanthropy project in which each delegation is asked to raise money for a charity or cause. This year, we will be assisting in Make-A-Wish Foundation as our conference philanthropy. Make-A-Wish is a global organization that works with children between the ages of 2 ½ and 18 years at the time of their referral who have life-threatening medical conditions to grant “wishes” for them, big or small. What are your thoughts on different ways to help raise money across campus for this organization?

5) The theme for our conference is “Hollywood Class: Leaving Your Legacy,” but our delegation will have its own mini theme for our banner and t-shirts. What are some ideas you have for our mini theme?
