As president or primary representative of this organization, I assume full responsibility to see that all members, especially officers, are aware of and abide by regulations pertaining to student organizations and to see that this organization functions according to its approved constitution. The Office of Student Development has my permission to publish the above information in its Student Organization Directory and on its website. In addition, I recognize my obligation to be this organization's representative to the Marquette University community and to receive official communications and make the contents known to the entire organization. I understand that Marquette University prohibits the practice of hazing, which is defined as physical and/or mental harassment of the new or continuing members, and that the organization of which I am president has not, does not and will not engage in hazing of any type.

I have read, understand, and agree to the above.
