"Philosophy is one fundamental area of study that has found a new role in the high-tech world. In an information-based economy, people who can think conceptually are more and more valuable." New York Times

LEONARD LAWLOR

"Anachronism and Powerlessness: An Essay on Postmodernism"

Friday, November 19, 2010

Dr. Leonard Lawlor is Edwin Erle Sparks Professor of Philosophy at Penn State University. His research interests involve nineteenth and twentieth century continental philosophy. He is the author of This is not Sufficient: An Essay on Animality and Human Nature in Derrida (New York: Columbia University Press, 2007) and the forthcoming Early Twentieth Century Continental Philosophy: Toward the Outside (Indiana University Press, 2011).
