SUBJECT: Due Dates for New, Modified or Deleted Academic Programs for Academic Year 2017-2018

This memorandum establishes due dates for submitting new academic program proposals, new courses and requests for modification or deletion of academic programs and courses at the Undergraduate, Graduate and Professional levels, to take effect Fall 2017 (AY 2017-2018).

All curriculum changes will be done online via CourseLeaf. The required program proposal documentation will also be submitted online via CourseLeaf. Proposal guidelines are available on the Office of the Provost website: Academic Program Guidelines. Concept paper is still submitted directly to the Office of the Provost (Attn: Chief of Staff to the Provost).

Early submission of curriculum changes is highly encouraged (CourseLeaf will be available for submission of curriculum changes on July 25, 2016). To get started on the approval process prior to July 25, Course Leaf template forms are located on the Provost website, under the ‘CourseLeaf Guidelines’.

As we look to the future and begin discussing the academic strategic priorities it is also appropriate to consider programs needed by the colleges and departments to position Marquette competitively for the future. Although resources for new programs will be scarce and there is more to be done to adjust current programs and reallocate, it is important that we start sharing ideas and that good ideas for creating new programs be given the opportunity to develop into concept papers.

Due to the interconnection between all of the bulletins and the CourseLeaf approval and workflow process, all of the bulletins need to be on the same timetable for submission of approval. However, because this process is online, we are able to allow later submission dates for most of the curriculum approvals. **This means that all bulletins (Undergraduate, Graduate, Graduate School of Management, Dental, Health Sciences Professional, Law), are now on the same schedule and there is no ability to accept late submissions. Therefore, submissions after the deadlines cannot be approved.** New programs, courses or changes submitted after the deadlines must wait until the 2018-19 academic year and will not be available in the 2017-18 Schedule of Classes for registration or displayed in either the Undergraduate, Graduate, Dental, Law or Health Sciences Professional 2017-18 University Bulletins.

**Additional dates for updating of the online bulletins:**
