

Marquette University
Academic Policy: Undergraduate Residency
Effective for students starting Fall 2010

Residency is defined as the number of courses/credits which a student must earn at an institution in order to be awarded a degree from that institution. The following policy applies to all undergraduate students, with the exception of those who are admitted to the College of Professional Studies.

1. **Total Credits:** A minimum of 60 Marquette credits are required to earn an undergraduate degree.
2. **Final Credits:** The final 30 credits needed to complete an undergraduate degree must be Marquette credits or in an OIE approved study abroad program.
3. **Upper Division Credits:** A minimum of 32 Upper Division Marquette credits are required to earn a Marquette undergraduate degree.
4. **Major Credits:** A minimum of 15 Marquette credits in the major are required to earn a Marquette undergraduate degree.
5. Exceptions to this policy will be approved by the Office of the Provost.

Marquette University
Academic Policy: College of Professional Studies
Undergraduate Residency
Effective for students starting Fall 2010

Residency is defined as the number of courses/credits which a student must earn at an institution in order to be awarded a degree from that institution. The following policy applies to all undergraduate students admitted to the College of Professional Studies.
