MARQUETTE ADHD PEERS PROGRAM
Friendship-Building Group for Teens with ADHD

PEERS (Program for the Education and Enrichment of Relational Skills) is a program for motivated teens (ages 11-17) who are interested in learning ways to help them make and keep friends!

During teen group sessions, teens are taught important social skills and are given the opportunity to practice these skills as a group during social activities.

During parent group sessions, parents are taught how to assist their teens in making and keeping friends by helping them expand their social network and providing feedback through coaching.

Your Teen Will Learn:
- How to use appropriate conversational skills
- How to appropriately use humor
- How to handle rejection, teasing, and bullying
- How to handle rumors and gossip
- How to make phone calls to friends
- How to choose appropriate friends
- How to be a good sport
