NOTICE:
LIMITED BENEFITS WILL BE PAID WHEN OUT OF NETWORK PROVIDERS ARE USED.

You should be aware that when you elect to utilize the services of an out of network provider for a covered service, benefit payments to such out of network provider are not based upon the amount billed. The basis of your benefit payment will be determined according to your policy’s fee schedule, Usual and Customary Charge (which is determined by comparing charges for similar services adjusted to the geographical area of the locality of the policyholder). **YOU RISK PAYING MORE THAN THE COINSURANCE, DEDUCTIBLE AND CO-PAYMENT AMOUNT DEFINED IN THE POLICY AFTER THE PLAN HAS PAID ITS REQUIRED PORTION.** Out of network providers may bill enrollees for any amount up to the billed charge after the plan has paid its portion of the bill. Participating providers have agreed to accept discounted payment for covered services with no additional billing to the enrollee other than co-payment, coinsurance and deductible amounts. You may obtain further information about the participating status of professional providers and information on out-of-pocket expenses by calling the toll free telephone number on your identification card or visiting www.uhcsr.com.
Privacy Policy
We know that your privacy is important to you and we strive to protect the confidentiality of your nonpublic personal information. We do not disclose any nonpublic personal information about our customers or former customers to anyone, except as permitted or required by law. We believe we maintain appropriate physical, electronic and procedural safeguards to ensure the security of your nonpublic personal information. You may obtain a copy of our privacy practices by calling us toll-free at 888-302-6182 or by visiting us at www.uhcsr.com.

Eligibility
All domestic full-time undergraduate students, part-time students taking 6 or more credit hours (or program equivalent as defined by college or university), graduate students, and students in accelerated programs are eligible to enroll in this insurance Plan.

International students (as defined by college or university) including ESL and ELP students are eligible to enroll in this insurance Plan, unless the school has plan 2010-202452-4 in place for their international students.

Students must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, Internet, and television (TV) courses do not fulfill the Eligibility requirements that the student actively attend classes. The Company maintains its right to investigate Eligibility or student status and attendance records to verify that the policy Eligibility requirements have been met. If the Company discovers the Eligibility requirements have not been met, its only obligation is to refund premium.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the spouse or Domestic Partner and unmarried children and grandchildren under 27 years of age who are not self-supporting. See the Definition section of the Brochure for the specific requirements needed to meet Domestic Partner eligibility.

Dependent Eligibility expires concurrently with that of the Insured student.

Effective and Termination Dates
The Master Policy becomes effective August 1, 2010. The individual student's coverage becomes effective on the first day of the period for which premium is paid or the date the enrollment form and full premium are received by the Company (or its authorized representative), whichever is later. The Master Policy terminates July 31, 2011. Coverage terminates on that date or at the end of the period through which premium is paid, whichever is earlier. Dependent coverage will not be effective prior to that of the Insured student or extend beyond that of the Insured student.

Refunds of premiums are allowed only upon entry into the armed forces.

The Policy is a Non-Renewable One Year Term Policy.
Extension of Benefits after Termination

The coverage provided under the Policy ceases on the Termination Date. However, if an Insured is Totally Disabled on the Termination Date from a covered Injury or Sickness for which benefits were paid before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid as long as the condition continues but not to exceed 90 days after the termination date.

The total payments made in respect of the Insured for such condition both before and after the Termination Date will never exceed the Maximum Benefit.

After this "Extension of Benefits" provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.

There are certain Prescription Drugs that require your Physician to notify us to verify their use is covered within your benefit.

You are responsible for paying the applicable copayments. Your copayment is determined by the tier to which the Prescription Drug Product is assigned on the PDL. Tier status may change periodically and without prior notice to you. Please access www.uhcsr.com or call 877-417-7345 for the most up-to-date tier status.

|$15 copay per prescription order or refill for a Tier 1 prescription drug up to 31 day supply.
|$35 copay per prescription order or refill for a Tier 2 prescription drug up to 31 day supply.
|$60 copay per prescription order or refill for a Tier 3 prescription drug up to 31 day supply.

Your maximum allowed benefit is $750 Per Policy Year.

Please present your ID card to the network pharmacy when the prescription is filled. If you do not use a network pharmacy, you will be responsible for paying the full cost for the prescription.

If you do not present the card, you will need to pay for the prescription and then submit a reimbursement form for prescriptions filled at a network pharmacy along with the paid receipt in order to be reimbursed. To obtain reimbursement forms, or for information about mail-order prescriptions or network pharmacies, please visit www.uhcsr.com and log in to your online account or call 877-417-7345.
