UNIVERSITY REQUIREMENTS

All international students and scholars are required to participate in this insurance program.

ELIGIBILITY

All international students, visiting faculty or other persons who are under the age of 65, have a current passport or student visa, and are temporarily residing outside their Home Country while actively engaged in education or educational activities or research related activities.

Insured students may also purchase dependent coverage. Eligible dependents are the Spouse (residing with the Insured Student) and unmarried children under nineteen years of age who are not self-supporting, and reside with the Insured Student. Dependent eligibility expires concurrently with that of the Insured Student.

EFFECTIVE DATE OF COVERAGE

Coverage for an individual who makes the required premium payment will become effective on the latest of:

1) 12:01 a.m., Standard Time on August 1, 2011; or

2) The beginning date of the period of coverage purchased; or

3) The day after the date of postmark when premium is received by the University, Company Agent or Administrator.

Coverage will always become effective at 12:01 a.m., Standard Time on the date determined by this provision. The effective date of coverage for dependents will not precede that of the Insured Student.

The individual’s insurance coverage is effective 24 hours a day on a worldwide basis except when the student withdraws from school and resumes residency in his/her home country.

TERMINATION DATE OF COVERAGE

Coverage under the Policy with respect to the Insured Student shall terminate on the earlier of:

1) The last day of the period for which premium has been paid; or

2) 12:01 a.m., Standard Time on August 1, 2012.

Coverage for any dependent shall terminate as indicated above or on the time and date the Insured Student’s insurance terminates, whichever is earlier.

A pro-rated refund of premium will be made only in the event the Insured enters military service. Otherwise, coverage will continue for the period for which premium was paid.

CONTINUOUS COVERAGE

Coverage for an Insured Person will be considered as continuous during consecutive periods of insurance (such as Fall and Spring, Spring and Summer, etc.) when premium payment is received by the Policyholder, Company Agent or Administrator within 15 days of the beginning date of the period of coverage purchased regardless of any breaks in calendar days between consecutive periods of insurance (Fall, Spring, Summer, etc.). This Continuous Coverage provision will not establish a new benefit period, not affect any lifetime or specifically stipulated benefits shown herein for an incurred loss existing during any preceding coverage period.
EXCESS BENEFITS

All coverages, except Accidental Death and Dismemberment, shall be in excess of all other valid and collectible insurance indemnity and shall apply only when such benefits are exhausted.

PREFERRED PROVIDER NETWORK

If you use a physician from the Preferred Provider Network, the Company will reimburse your covered expenses at a higher amount when compared to using a Non-Network Provider. We have made arrangements with Beech Street, a Preferred Provider Network, who has contracted with numerous hospitals, physicians and other health care providers in order to administer care at a prearranged, preferred dollar amount. **If you choose to use a Non-Network Provider, your benefits will be reduced as shown on the Benefits Schedule.** Prior to seeking care with a Network Provider, you should always verify that the doctor continues to be a Network Provider. A complete list of participating providers is available by accessing Beech Street’s website at [www.beechstreet.com](http://www.beechstreet.com) or by calling their toll free number 1-800-877-1444.

Please note: in the event you need medical attention while out of the State of Wisconsin and need to find a participating provider, please access the Multiplan website at [www.multiplan.com](http://www.multiplan.com) and select PHCS from the drop down menu. You may also call Multiplan’s toll free number at 800-922-4362.

WALGREENS HEALTH INITIATIVES PHARMACY NETWORK

**$5,000 Maximum Benefit Per Policy Year**

The pharmacy network provides prescription drug coverage for all covered conditions when prescriptions are filled at a participating Walgreens pharmacy. Preventive drugs are not covered. The Covered Person is responsible for a **$10 co-payment per generic prescription; $20 co-payment per brand name prescription; or $30 co-payment per multi-source prescription.** No claim forms are required. The participating pharmacy will file claims directly with the administrator for reimbursement of the remaining charges up to the maximum benefit.

The Covered Person must show his/her identification card to receive benefits at a participating pharmacy. An identification/prescription card will be issued once the correct premium and enrollment form have been processed by the administrator.

For member services information, please call Walgreens Health Initiatives RX Member Services at 800-207-2568, or access their website at [www.mywhi.com](http://www.mywhi.com). This service is available 24/7 after the issuance of the identification/prescription card.

PRE-EXISTING CONDITIONS

Pre-existing Conditions, defined as any illness which was contracted or which manifested itself, or for which treatment or medication was prescribed with the twelve (12) months prior to the effective date of this insurance, are covered to a Maximum Benefit of $10,000.

After an Insured Person has maintained 12 months of continuous and uninterrupted coverage, pre-existing conditions are covered as any other condition for loss of expense incurred after such 12 continuous and uninterrupted month period.

Payment will be in accordance with the provisions of this Plan. If the Insured Person has a lapse in coverage, a period of 12 months of continuous and uninterrupted coverage will have to be satisfied again before pre-existing conditions are covered as any condition.
