Term: Summer 2014 (Sess. 1)
Instructor: Dr. Ulrich Lehner
Course #: THEO 1001
Section: 102
Course Title: Introduction to Theology

Description:

Theology can be fun because where else can one ask the big questions: Is there a God? Why is there suffering and evil? What is the meaning of life? in a context of academic rigor and openness. This course will introduce students to basic concepts of theology and give an overview of the Christian tradition as required by the University.
