Course Title: Introduction to Theology

Description:

This course will offer an introduction to the basic concepts and method of discourse of Christian theology. Its objective is to provide students with the necessary skills for an independent and more advanced study of theology. Besides both the Old and New Testaments, a number of texts from various periods of Christian history will be studied. Upon successful completion of the course, students will be able to identify and explain the main theological concepts and appreciate the vitality of Christian theology.

Course evaluation will be based on a combination of quizzes, a midterm, and a final exam.
