UNDERGRADUATE COURSE DESCRIPTION

Term: Fall 2011
Instructor: Rev. Thomas S. Anderson, S.J.
Course #: THEO 2000
Section: 103
Course Title: Hebrew Scriptures: Old Testament Overview

Description:

This introductory course is a survey of the books, authors, themes, and history of the Hebrew Bible (Old Testament). Using a variety of analytical tools, we will learn how to interpret the Biblical text, its historical contexts, diverse literary forms, and religious ideas. Discussions will focus on what the Biblical text might mean today.
