Department of Theology

UNDERGRADUATE COURSE DESCRIPTION

Term: Spring 2012
Instructor: Mark Trump
Course #: THEO 2110
Section: 101
Course Title: New Testament Select Books
Course Sub-Title: Resident Aliens

Description:

A second level New Testament course focused on the books of Hebrews, James, and 1 & 2 Peter. This course will look at these books through the lens of the early Christian community's formation, identify maintenance, theology, and interaction with the wider Greco-roman culture as it seeks to maintain community integrity in the midst of trials, suffering, and division. The course will also seek to address similar issues that may exist for contemporary Christian communities in a Post-Christian cultural setting.
