UNDERGRADUATE COURSE DESCRIPTION

Term: Spring 2014
Instructor: Dr. Mickey L. Mattox
Course #: THEO 2230
Sections: 101/102
Course Title: Theology in the Writings of C.S. Lewis

Description:

This course offers students sustained and rigorous engagement with a broad range of Lewis’s writing. The modus operandi of the course is literary: we read as much of Lewis as we can and discuss in detail these readings in class. The outlook of the class, however, will be theological. Though we will not find in Lewis a theologian in the sense in which that word is commonly used today, we will find a brilliant Christian thinker attempting to understand his life and times in the light of Christ.
