Term: Spring 2013
Instructor: Dr. Anne Carpenter
Course #: THEO 2300
Section: 101
Course Title: Quests for God: Paths of Revelation

Description:

This class explores Christian revelation with an emphasis on how Christians understand God's revelation to be possible at all: does God care to "speak" to us, and are we able to hear? Studies of major theological texts will occur alongside examinations of art and literature, with particular care taken to explore how beauty and love might help us to comprehend the "problem" of revelation. Students will be asked to read with care, and to relate the readings to their own experiences.
