Section: 103
Course Title: Quests for God, Paths of Revelation

Description:

The quest for God in human and specifically religious experiences with a focus on Christian belief in God. Grounds for belief: revelation; the nature of God's relationship to the world including issues relevant to modern culture and science. The historical precedents and context for these issues. The dialogue with other religious and atheistic conceptions of ultimate reality. Implications of a community's understanding of God for its way of life. Particular emphasis will be given to both historical and contemporary interactions between faith, reason, and the natural sciences.
