GRADUATE COURSE DESCRIPTION

Term: Spring 2011  
Instructor: Dr. Mattox, Dr. Wriedt  
Course #: THEO 8431  
Course Title: Theology of John Calvin  

Content:  
This course will offer an overview of the theology of the Protestant Reformer of Geneva, John Calvin. Readings will be drawn both from his great work of systematic theology, The Institutes of the Christian Religion, and also from his biblical exegesis. The course will include critical historical reflection on Calvin’s life journey by means of solid biographical studies, as well as extensive analysis of his theology and approach to Scripture.
