G. Research in Progress:

1. A systematic theology. The foundations volume is completed (*Theology and the Dialectics of History*). The methodological volume, *What Is Systematic Theology?* appeared in 2005. *The Trinity in History*, vol. 1: *Procession and Mission* will be submitted to University of Toronto Press early in 2010. The Press has already indicated keen interest.
2. *Collected Works of Bernard Lonergan*, General Editor. Currently working on editing two further volumes. My hope is to see the project through to the end (twenty-five volumes, fifteen of which have been published).
