Research in Progress

History of Exegesis:

Preparing a translation with commentary of Johannes Oecolampadius, *In Genesim Enarratio*, (Basel: 1536). Proposal accepted in the series Reformation Texts & Translations, Marquette University Press, Kenneth Hagen and Franz Posset, eds.

Ecumenical Theology:

Working on a book tentatively entitled *Deification: An Ecumenical Introduction to a Lutheran-Orthodox Conversation*, an examination of the themes of *theosis* and sanctification in Orthodox and Lutheran perspective, co-authored with A. G. Roeber (Pennsylvania State University).

Luther Studies:

Writing a chapter on Martin Luther's reception of the Apostle Paul for a volume to be published by Brill.

Working on a biography of the elder Luther.
