[1] Schedule of offerings for 6204 courses is subject to change based on enrollment or faculty availability.

[2] Proficiency exams in less-commonly tested languages (i.e., Spanish, Italian, Japanese, Chinese, and Arabic) are scheduled, but require special arrangements and prior approval from the Department. The student would register on CheckMarq under GREK 9831, SPAN 9831, ITAL 9831, JPNS 9831, etc. after approval.

[3] FOLA 9830 would be available in the event that a student would like to take an exam in a language not offered in the Department, but for which a faculty member may be willing to test.
