

UNDERGRADUATE COURSE DESCRIPTION

Term: **Fall 2008**
Instructor: Ralph Del Colle
Course #: THEO 157
Section: 1001
Course Title: Theology of the Church

Description:

The course will examine the doctrine of the Church in Christian theology. The approach will focus on the developments in Catholic ecclesiology in the light of the Second Vatican Council but will also take into account Orthodox and Protestant understandings of the Church with attention to the ecumenical movement as well. The notions of communion, mission and vocation will figure in our investigations.
