No two classes are ever the same! Incorporation of progressions and exercise modifications make CrossFit classes accessible to almost all physical fitness levels. The camaraderie and shared experience of intense workouts helps to fuel motivation and results. This class will be taught by Ryan Atkins from CrossFit Milwaukee. Register for a session

Pilates Mat
Pilates Mat teaches awareness of breath and alignment of the spine utilizing the deep torso muscles of the core. This class focuses on working the core muscles to develop strength, flexibility, endurance and coordination. Each individual can progress at their own pace with the use of modifications, rings, and balls, which can provide more or less intensity. Register for a session
