COLLABORATIVE INNOVATION SPACES

707 Hub
707 Building
Home to the Kettering Center for Entrepreneurship and the Social Innovation Initiative, this is the catch-all spot for entrepreneurs and innovators to kick off their ideas and connect to community resources. Open to all faculty, students, and staff. Web: marquette.edu/engineering/kettering-center.php

Wakerly Media Lab
Johnston Hall 122
The Wakerly Media Lab for Innovation and Creativity is a great place to hone digital skills, get feedback on 2D projects, and even play with virtual reality equipment. The Wakerly also provides access to equipment rentals for College of Comm students. Web: wakerly.weebly.com

Discovery Learning Lab
Engineering Hall 125
A fully-equipped machine shop perfect for building prototypes and proof-of-concept models. You don’t have to be an engineer to use it, but you will need safety training. Web: marquette.edu/engineering/discovery-learning-lab/

Visualization Lab
Engineering Hall 028 & 028A
A must-see for any curious mind on campus, the “Viz Lab” is a unique resource that can help you visualize larger-than-life concepts or immerse yourself in virtual experiences. Plus, you get to wear cool glasses! Web: eng.msu.edu/vizlab/

Dental Research Lab
1801 West Wisconsin Ave
Located in the School of Dentistry, the Delta Dental Research Lab has a mission of excellence in collaborative, interdisciplinary and innovative dental research resulting in established evidence-based research to be used in inter-dental knowledge and clinical practice for the future! Web: marquette.edu/dentistry/blogs/facilities.php

Raynor Memorial Library
1550 W. Wisconsin Ave
Raynor Memorial Libraries offers more than 1 million volumes, hundreds of research databases, computer access, laptop on loan, a multimedia collection, group study spaces, 24-hour access and library staff members who help researchers from around the world. Web: marquette.edu/library/

Robert A. Wild, S.J. Commons (Future Site)
Between 17th and 18th on Wells
This residence hall is one of the first steps of the university’s anticipated 20-year plan, and will offer access to community space for creative collaboration.

INNOVATION HAPPENS HERE.
(and here. and here.)

Are you a student with an idea you’d like to get off the ground? Or maybe you’re just looking to get involved in the innovation community? We’ve got you covered. We compiled a list of great resources on campus to help you ignite your passion and become an innovative thought-leader in your field.

OTHER INNOVATION RESOURCES

MUSG Office
ANU 133
Open as a work space, the Student Government Office is also a great resource to network with the larger Marquette community. MUSG is the perfect place to start when looking for ways to get involved. Web: musg.mu.edu/

Ott Memorial Writing Center
Raynor Library 240
The Ott Memorial Writing Center is a resource for all writers in the Marquette community and surrounding Milwaukee neighborhood. Our recommendations: have these writing pros look over your pitch deck before a presentation! Web: marquette.edu/writing-center/index.php

Haggerty Art Museum
North 13th and Clybourn
More than just a great resource, the Haggerty offers workshops and lectures to engage students in various disciplines to think about the world and their subject matter through the lenses of the visual arts. Web: marquette.edu/haggerty/index.php

Latinicx Well-Being Research Initiative
Helfsbecker Hall
Composed of faculty, staff, and students, the LWRI is interested in the psychological, physical and socio-environmental factors that influence the lives of Latinx/o. Web: Marquette.edu/latinx-well-being

Office of Research and Innovation
Zeller Hall 435
A go-to resource for all innovators, entrepreneurs, and inventors on campus, this office was created to advance the university’s strategic initiatives around research and innovation. Web: Marquette.edu/innovation/

Nursing Simulation Lab
Engy Clark Hall, Lower Level
Through the creative use of environment, high-tech manikins, and actors, this lab develops realistic simulations of patient care events. Also, they regularly collaborate with industry and other innovation resources on campus. Web: marquette.edu/nursing/students-simulation-clinical.shtml

Visualization Lab
Engineering Hall 028 & 028A
Discovery Learning Lab
Engineering Hall 125
Wakerly Media Lab

OFF CAMPUS RESOURCES

Law and Entrepreneurship Clinic
Edelston Hall
Open to anyone, this resource provides legal services to entrepreneurs who lack access to the traditional legal marketplace. Web: law.marquette.edu/community/law-mu-entrepreneurship-clinic/

College of Business
Stryz Hall
Home to the Entrepreneurship and Innovation major and minor. The academic programs are designed to give you the knowledge and skills to know yourself, and to channel your entrepreneurial spirit. The minor is open to nonbusiness students. Web: business.marquette.edu/

Athletic Performance Research Center (Future Site)
800 West Michigan Street
Technically on the east side of Marquette University’s campus, this facility is poised to be a state-of-the-art resource for elite scientists and scholars who will come from around the globe to research and advance the ever-changing world of athletics. Web: marquette.edu/athletics/

Global Water Center
247 W. Freshwater Way - 6th Floor
The Global Water Center houses water-related research facilities for universities, existing water-related companies and acceleration space for emerging companies. Marquette University currently occupies 6,000 sq. ft. on the 6th floor. Space is available on an annual basis for water-related initiatives. Web: marquette.edu/innovation/global-water-center.php

Ward 4
333 North Plankinton Ave
Milwaukee’s premier co-working space, Ward 4 is the perfect spot to work on your venture, host meetings with clients and investors, or attend startup events involving the Marquette community. Ward 4 is also home to The Commons, a one-of-a-kind entrepreneurial skills accelerator program serving in network of 23 schools in the Southeast Wisconsin area. Web: ward4bike.com
