The Honor Society of Jesuit Colleges and Universities

Induction Ceremony

As a member of Alpha Sigma Nu, I promise to do everything in my power to carry out the ideals of scholarship, loyalty and service. I promise to be committed to intellectual integrity and the pursuit of wisdom. I promise to be loyal to the moral, social and religious ideals of my education. I promise to be genuinely committed to the well being of others and active in serving them. I will do all this in light of the Jesuit concern for the greater honor and glory of God.
WHAT IS ALPHA SIGMA NU?

Alpha Sigma Nu is the honor society of Jesuit institutions of higher education. The Society recognizes those students who distinguish themselves in scholarship, loyalty and service. Alpha Sigma Nu is unique among honor societies in that it seeks to identify the most promising students of Jesuit colleges and universities who demonstrate an intelligent appreciation of and commitment to Jesuit ideals. The only honor society permitted to bear the name Jesuit, Alpha Sigma Nu encourages its members to a lifetime pursuit of intellectual development, deepening Ignatian spirituality, service to others, and a commitment to the core principles of Jesuit education. Selection to Alpha Sigma Nu is one of the highest honors awarded on a Jesuit campus.

WHO IS ELIGIBLE TO JOIN?

Juniors, seniors, and students in graduate and professional schools who rank in the top 15 percent of their classes may be considered for membership. Each chapter can nominate no more than 4 percent of their junior and senior classes from each school and college of a university. The method of selection varies from campus to campus but is always based on scholarship, loyalty, and service. Chapters also may initiate honorary members—persons who display the outstanding qualities sought in Alpha Sigma Nu members.

A BRIEF HISTORY

Alpha Sigma Nu was founded in 1915 at Marquette University. The men’s honor society, known as Alpha Sigma Tau until 1930, spread from Marquette to Creighton University, to Saint Louis University, and to the University of Detroit in its first decade. In 1924, Gamma Pi Epsilon was founded to honor outstanding women. Alpha Sigma Nu and Gamma Pi Epsilon pursued separate but similar paths for almost 50 years, expanding nationally and cooperating on campuses where they existed together. The society born of their merger in 1973 is open to men and women at chapters on all 27 Jesuit campuses in the United States, two in Canada, one in South Korea, one in Spain and one in Peru. Over 2,000 members are inducted each year.
