

# Parent and Family

## *Leadership Council Charter*

The Marquette University Parent and Family Leadership Council (PFLC) provides a select and distinct opportunity for current parent leaders to invest valuable time and financial resources in Marquette during their student's time on campus. The PFLC helps to raise the university's national profile and increases pride and meaningful engagement among fellow Marquette parents and other key stakeholders. The PFLC supports Marquette's goal to be recognized among the most accomplished and innovative Catholic, Jesuit universities in the world. Your membership offers impactful opportunities and recognition.
