MEMORANDUM FOR Cadets, Cadre, and Staff of the Golden Eagle Battalion

SUBJECT: Leadership Vision and Philosophy

1. The purpose of this memorandum is to provide the Golden Eagle Battalion (GEB), Marquette University Army ROTC Program, my leadership vision and philosophy.

2. The mission of the Golden Eagle Battalion – is to prepare you to successfully transition from Cadets to Second Lieutenants who live the Army Values and who are committed to the Nation and our profession of arms. The GEB has a long history of excellence at Marquette University dating back to the Student Army Training Corps of 1918, I'm proud to be back on the team.

3. The GEB Team is my #1 priority. As a 2003 graduate of the GEB my enduring memory of the program is everyone who worked tirelessly to ensure that I was ready to commission as a Second Lieutenant. The environment of caring and commitment was fostered by an exceptionally talented team dedicated to our mission. They mentored me and gave me the skills I needed to seamless transition from Cadet to lieutenant. Growing and sustaining this environment of caring and commitment does not happen by chance. It requires strong dedicated teams. Moreover, I am committed to a safe environment for everyone. We can defeat the scourges of sexual assault/harassment, extremism/racism, and suicide within our ranks. If you have witnessed, or are aware, of any activity that is counter to these priorities please reach out to me – day or night.

4. Vision: The GEB executes tough and realistic training, grounded in Army Doctrine that develops and prepares America’s sons and daughters to be leaders of character, competence, and commitment.

5. It is my honor to return to this program as the Professor of Military Science. I am committed to you and doing what is right for our program and the future leaders of our Army. The point of contact for this memorandum is the undersigned at robby.haugh@marquette.edu or 414-288-5926.
