Purchasing a New Computer with University Funds

Do you want this new Computer to be added to the Computer Replacement Program (CRP)?

- **Yes**: Work with your Department Champion to see IT recommended devices.

- **No**: Purchaser must provide all computer specs including location, identifier (lab, classroom, shared), warranty, and configuration to Amber Jensen.

- **Department Champion**: Department Champion works with Amber Jensen to receive quote or additional information.

  - **Amber places orders with the vendors.**

  - **Once vendor receives unit, Amber coordinates delivery and deployment.**

*CRP provides replacement up to a set dollar amount. Computer builds quoted beyond that require alternative funding sources to make up the difference.*
