

SPARK 2021 Quick Guide

Welcome to the College of Health Sciences! On Day 1 of your SPARK session, you will meet with representatives from your undergraduate major to learn about academic requirements and help you prepare for Fall 2021 course registration on Day 2. The following links connect you to important resources that are covered in the pre-work and in these presentations. If you are unable to find the answers to your questions at these links, please see the contact information under “Next Steps” below. We look forward to working with you!

Next Steps

- After your SPARK@HOME session, complete the survey emailed to your Marquette email address regarding your Fall 2021 course schedule. This helps us help you over the summer.
- You will be able to access your CheckMarq account to make changes to your Fall 2021 schedule starting Wednesday, July 21, 2021.
 - If you are trying to change from one class to another, please remember: SWAP, don't DROP! [Swapping](#) ensures you don't lose your seat in your original class unless you are enrolled in the new class.
- After SPARK, your [academic advisor](#) is your main contact for schedule questions or concerns.
- You may also contact the College of Health Sciences Dean's Office by emailing chsregistrationhelp@marquette.edu or calling 414-288-5053 and leaving a detailed message. Either way you contact us, please include: your name (first & last), MUID, major, brief description of your question, and the best phone number or email address to contact you.
