¹ The four courses in the Discovery Tier (DSCV) of the MCC must be completed in the same theme and include the following content areas: Humanities (HUM), Social Science (SSC), Natural Science and Mathematics (NSM) and one elective (ELE), which is an additional course from any of the three content areas.

² Students must complete the Writing Intensive (WRIT) and Engaging Social System and Values 2 (ESSV2) requirements of the Core Curriculum via Discovery tier courses; through courses in a declared major or minor, if offered; or as general electives.

** Individual courses listed in the D1 year curriculum apply towards BISC major requirements. The remaining D1 clinical curriculum credits apply towards the B.S. degree and are included in calculating academic honors at graduation.

Overall Degree Requirements:

Minimum **128 total credits** (test credits, transfer credits and MU credits)

Minimum of **60 credits** completed at MU

Minimum of **32 credits of upper division classes** (3000 level or higher) completed at MU

Final 30 credits must be completed at MU (waivers may be submitted for study abroad)
