AIM Program
Mission Statement

The Applied Investment Management program, guided by Marquette University’s Jesuit values, provides undergraduate students with the opportunity to integrate the financial principles they are learning, along with relevant internships and investment experiences, so that they may become proficient and ethical investment research.
The Applied Investment Management program at Marquette University is one of the few undergraduate programs in investment management.

- Students fulfill course requirements which integrate:
  - financial principles
  - relevant internships
  - investment management experiences
AIM Program Components

• Comprehensive academic curriculum centered on the CFA® Institute's core body of knowledge

• Instruction from experienced finance faculty, as well as investment professionals from leading financial institutions

• High-quality summer internships, which will allow students to apply and integrate their academic knowledge in the investment industry

• Fully functional research room, featuring state-of-the-art, hands-on investment technology and information systems

• Three student-managed fund (small cap domestic, international equity and fixed-income)
Marquette’s AIM program is adding a *Private Equity & Banking* track

Dr. David Krause, AIM Program Director
AIM Research Room

- Built in 2008 (Updated market board in 2012 and TV’s 2013)
- Students work with the same financial tools used by investment professionals (Bloomberg, Thomson, Morningstar, etc.)
- Benefits of the AIM research room:
  - quick and easy access to financial data
  - increased exposure to real-time financial market activity
  - hands-on experience with tools of the investment trade

What is the *Private Equity & Banking* Track?

- While similar to the Investments track, it focuses on the concepts and skills necessary to succeed in the private equity and investment banking sector.
How does the curriculum differ between the two AIM tracks?

• Generally speaking, they are the same through the junior year.

• In the senior year, the PE & Banking track requires that the following courses be taken in lieu of three investments courses:
  – FINA 4381:  Investment Banking
  – FINA 4340:  Private Equity, Society and Ethics
  – FINA 4350:  Applied Financial Modeling
What are some of the applied learning elements of the new track?

- Summer internships
- Opportunities for students to learn from experienced professionals
- Financial modeling and case studies
- Management of a micro-cap equity fund
- Use of “in the trenches” guest speakers in the classroom
- Creation of a Private Equity & Banking Club
- Opportunities for students to assist in the monitoring and evaluation of the performance of private equity investments within various investment portfolios
When does a student accepted into AIM get assigned to a specific track?

• Before enrolling for courses for the fall semester of their senior year (March), they will be designated into Investments or Private Equity & Banking track.

• Program director (Krause) will advise the student as to the best track based on their background and area of interest.

• Best efforts will be made to assign students to their desired track.

• Factors taken into consideration will be the students’ career interests, internship offers, and cumulative grade point.
AIM Program Staff

• Dr. David Krause (AIM Program Director)
• Bill Walker (Investments)
• Chris Merker (Ethics)
• Jeff Germanatto (Investment Banking / Private Equity)
• Michael Wagner (Entrepreneurial Finance / Alternative Investments)
• Scott Hawig (Advanced Financial Modeling)
• Jessica Hoerres (AIM Program Coordinator)
Applying to the AIM Program

Undergraduate students apply to the AIM program during the fall semester of their junior year. They will need to have taken or be enrolled in FINA 3001 and ACCO 3001 at the time of the application. The following application material is required:

- Two letters of recommendation (sent from recommender to Dr. Krause)
- Completion of the electronic application
  - Upload the following with the electronic application:
    1. MU Graduation Checklist
    2. Resume
    3. Application essay
- Interviews with Dr. Krause and Professional Community
- Notification of acceptance occurs in early October (well before advising week).
AIM Application Important Dates for Class of 2017

✓ **September 11** – Complete AIM electronic application packet and LOR due
✓ **September 21-25** – One half hour Interview with Dr. Krause and finance faculty (exact time to be scheduled individually)
✓ **October 3** – AIM Super Saturday Interviews (plan on entire morning 8 – noon)
AIM Application Complete Packet

For your application to be complete, the information must be submitted electronically through the AIM website.
AIM application process is completely electronic (except LOR)

**Important dates for 2014**

- **September 12:** Complete application packet due
- **September 22-26:** Interviews with Dr. Krause (exact time and date to be scheduled individually)
- **October 4:** AIM Super Saturday interviews (plan on the entire morning)

Presentation - AIM Application Information

Students apply to the AIM program during the fall semester of their junior year (while enrolled in FINA 3001 and ACCO 3001) and notification of acceptance occurs in late October (before advising week). If at anytime a student leaves or is dropped from the program, all credits earned at that point will be counted towards a finance major.

Acceptance into the program will be based on:

- Grades earned through the end of the fall semester of the junior year (GPA ≥ 3.0)
- Resume
- Two letters of recommendation
- Application essay
- Interview

Interviews for the summer internships begin after acceptance into the AIM program.

AIM Application Piece:

✓ Electronic application
(Website: Marquette/AIM/Application)

- Applying for AIM
- Name
- Student ID number
- Email address (use Marquette email address)
- Year in school
- Will you be studying abroad? If so, list what semester(s):
- Current GPA
- Major(s)
- Full local address
- Hometown
- Cell phone and Local phone
- Career objectives
AIM Application Piece:

✓ MU Graduation Checklist

Should be uploaded (see above) on the electronic application along with essay and resume.
AIM Application Piece:

✅ Essay

- The purpose of the essay is for you to provide more about your background than what is on your resume. This is also a test of your writing skills.

- I am trying to gain a better understanding about why you want to be in AIM and pursue a career in finance.

- This does not have to be an example of your creative writing abilities, nor is there any word count or formatting requirements.

AIM Application Piece:

✓ Two letters of recommendation

- The purpose of these letters of recommendation is to provide more background about you than what is on a resume.

- We are looking for insights into your work ethic, passion for finance/business, ethics, commitment to servicing others, trustworthiness, ‘real world’ knowledge, intellectual curiosity, etc.

- Choose people (either university or non-university) who know you – not just people with lofty titles.

- LOR is the only piece accepted via email, regular mail, fax or hand delivered by recommender.
AIM Application Piece:

✓ Interviews

All applicants will go through the following interview sessions:

- I will interview you (and often times I will be accompanied by another faculty member).

- There will be a ‘Super Saturday’ session of interviews. You will meet with 5-10 AIM/Marquette alumni and investment professionals in a series of 15 minutes interviews.

- Ins and Outs of Wall Street interview skills are useful.
AIM Application:

✓ What can you do to improve the chances of being accepted?

➢ Get good grades
➢ Have a strong interest in business and finance (investments).
➢ Follow geo-political and economic news.
➢ Talk with AIM alumni and current students to get a good understanding of the program.
➢ Follow companies / industries / individual stocks
➢ Internships are good.
➢ Involvement with student and service groups are desirable.
Juniors

✓ As you prepare AIM applications, use the Harvard style resume.
