BUSINESS RECRUITING & CAREER FAIR OPPORTUNITIES – SPRING 2022

SPRING 2022 COLLEGE OF BUSINESS CAREER FAIRS
Register in Handshake.

The Business Career Center will host two fairs within spring 2022: a virtual fair and an in-person fair. We offer two fairs to provide inclusive formats as well as dates that align with recruiting needs that are well-known at the beginning of the semester as well as those that are identified throughout the early portion of spring 2022. Organizations may access one or both fairs for the registration cost ($300 corporate, $150 non-profit/government). Sponsorships are available and information is provided within the Handshake registration page.

Both fairs will enable organizations to connect with students within all College of Business Administration & Graduate School of Management majors and programs. In addition, all Marquette University students and alumni with an interest in business internships and full-time positions will be welcome to participate.

Virtual Business Career & Internship Fair | Feb. 9, 4:30-6:30pm, Handshake fair platform
One-on-one and group sessions are available through the Handshake platform. Based on past fair experiences, employers are encouraged to utilize one-on-one sessions. Registration deadline: Feb. 1, 2022.

On-Campus Business Career & Internship Fair | Feb. 28, 4:00-6:00pm, MU Alumni Memorial Union
Registration will include a 6-foot, clothed table in the Marquette University Alumni Memorial Union ballrooms. The fair will follow the health and safety policies of Marquette University as of the date of the fair. As of Dec. 2021, these policies outline that masks are required at all times while on campus, and campus visitors will be asked to respond to health-related questions upon arrival at the fair. Registration deadline: Feb. 21, 2022.
