

BizCareers – Nov. 14, 2021

We hope you are doing well and that write with this week's BizCareers newsletter.

**Advising Follow-Ups:** Advising week and course planning can often relate to bigger picture questions of career exploration and planning. Your faculty advisor will be the best resource for course planning questions. Business Career Center staff can offer help, discussion and resources related to bigger picture questions. If you are selecting a major, considering a strategic second major or exploring career paths, consider scheduling a meeting with the Business Career Center. We are happy to connect and knowing more about *why* you are taking a specific academic path can often help longer-term as you consider internships, jobs and career plans. Appointments may be scheduled through [Handshake](#) – select the “career center” section.

**Gain Experience On Campus!** Campus jobs provide great learning and skill-building opportunities. Several campus offices are hiring including MU Student Government ([VP of Finance](#) – apply by Nov. 21), the campus-wide Career Services Center ([Office & Employer Relations Assistant](#), [Marketing Intern](#) – apply by Nov. 28) and the Business Career Center ([LEAD 3000 Student Assistant](#) – apply by Nov. 21).
