PKWARE

About PKWARE: More than two decades ago, PKWARE revolutionized data compression with the invention of the ZIP standard. Today, through continuous innovation and development, PKWARE has become the only complete system for reducing, securing, moving and storing data across the extended enterprise, both internally and externally, from mainframes to servers to desktops and into the cloud. Used by more than 30,000 corporate entities and over 200 government agencies, PKWARE is the industry standard for portability, ensuring data security and cross-platform computing. The PKWARE Solution is used billions of times a day to manage cost risks associated with data security breaches while avoiding increased storage costs with data reduction of up to 95% and improving service delivery. PKWARE is a privately held company based in Milwaukee, WI with additional offices in New York, Dayton Ohio and the United Kingdom.
