The Marquette University Career Services Center values making meaningful connections with employer partners. Our employer services include free, unlimited job, internship, and co-op postings through Handshake, on-campus & virtual interview coordination, career fair/event programming, and recruitment strategy planning meetings.

Important Note: Due to the uncertainty of future circumstances surrounding COVID-19, fall 2020 employer engagement opportunities include socially distanced on-campus and virtual options to ensure we are serving the needs of students and employer partners while abiding by university and local health guidelines. It is possible that plans for socially distanced on-campus events and programs could shift to virtual with limited notice and Career Services staff will work closely with employer partners to make this shift if necessary.

**FALL 2020 RECRUITING EVENTS AND PROGRAMS:**

**Fall Career Fair Prep Workshop** | **Wednesday, September 16, 2020** | 5:00 – 6:00 P.M.
This 60-minute session led by an employer partner and CSC staff will help students prepare for a successful Virtual Career Fair and On-Campus, Socially Distanced Employer Showcase. Students will learn actionable takeaways for career fair etiquette, preparation, and appropriate follow-up.

This career program is currently being planned as a socially distanced on-campus event that will be either live streamed or recorded for virtual viewing.

**Virtual Fall Career & Internship Fair** | **Tuesday, September 22, 2020** | 1:00 – 5:00 P.M.
The Virtual Fall Career & Internship is an excellent opportunity to connect with both undergraduate and graduate students, as well as alumni, seeking internships, co-ops, and job opportunities. Open to all majors/class years.

This career fair is virtual and will be hosted on the Handshake platform.

**Employer Showcase** | **Wednesday, September 23 & Thursday, September 24, 2020** | 1:00 – 5:00 P.M.
This two-day, on-campus showcase event allows employer partners the opportunity to highlight internships, co-ops, and job opportunities to undergraduate and graduate students in both technical and non-technical fields.

Employers with Non-Technical Hiring Showcases will participate on September 23. Employers with Technical Hiring Showcases will participate on September 24. Showcases will align with industry clusters/themes.

This career program is currently being planned as a socially distanced on-campus event.

**Stories of Service** | **Thursday, October 22, 2020** | 5:00 – 6:00 P.M.
This 60-minute program will feature speakers describing their experiences as post-graduate volunteers with a variety of year-of-service organizations. Students will have the opportunity to speak with others considering service as well as those who have been through the experience.

This career program is currently being planned as a socially distanced on-campus event that will be either live streamed or recorded for virtual viewing.
First Gen Connect | Tuesday, November 3, 2020 | 5:00 – 6:00 P.M.
This 60-minute program engages first-generation college students in an evening of storytelling and conversation with first-gen faculty, staff, alumni, and employer partners. Attendees will hear and share stories of the successes and challenges as members of the first gen community and connect their MU degree to the world of work by meeting employers committed to hiring diverse talent.

This career program is currently being planned as a socially distanced on-campus event that will be either live streamed or recorded for virtual viewing.

ON-CAMPUS RECRUITING SERVICES:

HANDSHAKE:
Employers may post career-related internships, co-ops and jobs on Handshake, our online career management platform. This is the best way to connect opportunities with Marquette undergraduate and graduate students. Employers may also post career-related events, hosted in-person or virtually, in Handshake. This is the best way to share event opportunities hosted by your organization.

Have questions about engaging in the Handshake platform? Interested in getting your posting and/or events noticed? Contact: Casey Dunn, Employer Relations Coordinator l casey.dunn@marquette.edu l 414-288-6924

ON-CAMPUS & VIRTUAL INTERVIEWS:
Recruiting through on-campus and/or virtual interviews is an excellent way to connect with talented students and enhance your organization’s brand with the Marquette University community.

Interested in hosting Marquette-specific on-campus or virtual interviews?
Contact: Casey Dunn, Employer Relations Coordinator l casey.dunn@marquette.edu l 414-288-6924

DEVELOPING A RECRUITMENT STRATEGY WITH MU:
Interested in being more intentional about how you recruit early talent and interns to your organization from Marquette University? interested in further developing an existing recruitment strategy?

Connect to discuss your organization’s scope of hiring, goals for engagement, and interest in complimentary and sponsored opportunities for engagement.

Contact: Naomi Pollek, Assistant Director, Employer Relations l naomi.pollek@marquette.edu l 414-288-5303

ADDITIONAL ENGAGEMENT OPPORTUNITIES:
In addition to the above recruiting services we are here to assist employer partners interested in the following recruitment activities:

Publicity Tables: Book a publicity table in a high traffic area of campus to connect with students’ in-between classes.

Information Sessions: Host a virtual or socially distanced on-campus information session to share more about who you are as an organization, the opportunities you have available, and to connect with students in a smaller group setting.

Connecting with Student Organizations/Clubs: Check out the Marquette Student Organizations Directory to determine which student organizations you would like to engage and then connect with the employer relations team to discuss strategy/best practices.

Contact: Naomi Pollek, Assistant Director, Employer Relations l naomi.pollek@marquette.edu l 414-288-5303
