BACHELOR'S-MASTER'S PROGRAM

Accelerated Degree Program (ADP)

An accelerated program allowing Marquette University students to earn both an undergraduate degree and MSAA in as few as 5 years is available. Interested students are encouraged to speak with their academic adviser for course planning and to reach out to the Graduate School of Management with questions.

For more information, contact:

Dr. Q Ling
414.288.8069
qianhua.ling@marquette.edu

Accounting Analytics is STEM designated, and international graduates may be eligible to apply for 36 months of optional practical training (OPT).
