EARNED EXCELLENCE

THE BEST BUSINESS SCHOOLS IN THE WORLD  
THE BEST ACCOUNTING PROGRAMS IN THE WORLD

"Marquette's MSA program is fine-tuned to help accounting graduates bridge the gap between an undergraduate degree and full-time professional work. It provides in-depth teaching on difficult concepts tested in the CPA exam, smaller class sizes for mentoring and connections, and faculty members who genuinely care about the success and well-being of their students. The Marquette MSA also provided the opportunity to develop connections that opened career and networking doors I did not previously have."
