

GA's,

Welcome to Marquette University and the Graduate School of Management. As you can see, this is a very lengthy email, and I apologize. However, the information is important and your assistance is needed to make this hire a smooth transition. Please read this email carefully as there are a lot of details included in this message.

You have been offered a Graduate Assistantship (GA) award for Fall 2018 and/or Spring 2019. Unless previously specified, your position starts Monday, August 20, 2018. We will have a **mandatory** GA Orientation from 10 am – 1:00 pm on this day. The Orientation is for all Graduate Assistants. New Graduate Assistants must come prepared with all required documents listed below. Returning Graduate Assistants, while required to attend the Orientation do not need to resubmit the documents. Realistically, the meeting will not take 3 hours, but we will reserve the time in case you have questions or require assistance.

All award offer letters, are signed and returned **to ME IN THE GSM, NOT** Mr. Marek in the Graduate School nor Marquette Central if you wish to accept the award. All awards not officially accepted by the deadline on the letter may be rescinded by the University. Ideally, the award letters were submitted quite some time ago.

The **Graduate School of Management** requires the following documents to be completed and submitted directly to the Graduate School of Management for all new GA hires. (**Returning** GSM GA's do not need to duplicate these documents.) Returning international students may need a new work authorization. International students, please contact OIE to verify if this document is required. Beyond the international student work authorization requirement, the other required forms and information are attached as well as links are posted to the GSM web site under Current Students then forms in the left column, then Graduate Assistant Documents or <http://business.marquette.edu/academics/forms> where doable.

1. FERPA forms (due June 29th)

1. On-Line FERPA tutorial and FERPA Agreement Form – **complete this tutorial, print, sign both pages and forward to the GSM by June 29th. Original signatures are required on this form. If this form is not submitted by June 29th your first pay check could be delayed. Again, return to me in the Graduate School of Management.**

GA's must complete an on-line tutorial **and** submit the FERPA agreement. Below is the link and instructions as provided by the Office of the Registrar. The tutorial is required for all graduate assistants. GA's will not have D2L access to support faculty without first meeting this requirement. Both the link and instructions are also posted to the GSM web site along with other GA information.

The Office of the Registrar has a FERPA tutorial available online. All new employees are required to take the tutorial. Instructions are available by clicking the link to the FERPA Online Tutorial on the OTR website: <http://www.marquette.edu/registrar/policies/>. Upon successful completion of the tutorial, new employees will be instructed to sign both the certificate of completion and the FERPA confidentiality agreement. **Sign both sides of your certificate and forward the signed certificate to Cheryl Nelson in the GSM office. Please do not forward directly to the Registrar's office as we cannot track the form and you will need to re-do the certificate. The GSM will attach other required information and forward to the Office of the Registrar as appropriate.**
