BRINGING THE REAL WORLD INTO THE CLASSROOM

Pictured above is the Baird Applied Investment Management Lab in Dr. E.J. & Margaret O'Brien Hall where Marquette students help invest a portion of the University's endowment.

Industry Connections:

The College of Business Administration at Marquette University has over 100 companies represented across its various advisory boards.

Alumni Network:

Supported by a network of 25,000+ proud College of Business alumni.

We have **Executives-in-Residence** that help align our real estate, finance, accounting, human resources, supply chain, insurance and innovation programs with industry standards. Each executive makes expertise and networks gained over decades in industry available to students.

Marquette Business takes advantage of its location in the city and industry partnerships to expand the classroom through **applied learning experiences**. Students can complete service projects, get hands-on experience with local companies and go on immersive learning trips both domestically and abroad.
