MU BUSINESS: FALL 2023 FRESHMEN ADVISING WORKSHEET

Walk through this document to help you fill out the required PREP Module for Advising

Typical First Year Plan: highlight or circle which courses you are planning to target for spring

<table>
<thead>
<tr>
<th>First Term</th>
<th>Second Term</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>BUAD 1001</strong> Business Day 1 or <strong>BUAD 1060</strong> Business Analytic Tools (3 or 1 cr.)</td>
<td><strong>BUAD 1001</strong> Business Day 1 or <strong>BUAD 1060</strong> Business Analytic Tools (3 or 1 cr.)</td>
</tr>
<tr>
<td><strong>MATH 1400:</strong> Elements of Calculus (3 cr.) OR <strong>MATH 1200:</strong> Pre-Calculus (3 cr.) <strong>Non-Business Elective</strong></td>
<td>If <strong>MATH 1400</strong> in fall... <strong>BUAD 1560:</strong> Statistics &amp; Business Analytics (4 cr.) OR If <strong>MATH 1200</strong> in fall... <strong>MATH 1400:</strong> Elements of Calculus (3 cr.) then BUAD1560 later</td>
</tr>
<tr>
<td><strong>ACCO 1030:</strong> Financial Accounting (3 cr.)</td>
<td><strong>ACCO 1031:</strong> Managerial Accounting (3 cr.)</td>
</tr>
<tr>
<td><strong>LEAD 1050:</strong> Foundations for Academic and Career Success (0 cr.)</td>
<td><strong>ECON 1103:</strong> Principles of Microeconomics (3 cr.)</td>
</tr>
</tbody>
</table>

If **BUAD 1001** then 2 courses from the following OR If **BUAD 1060** then 3 courses from the following:

- **ENGL 1001:** Foundations of Rhetoric (3 cr.), **PHIL 1001:** Foundations of Philosophy (3 cr.), **THEO 1001:** Foundations of Theology (3 cr.), Engaging Social Systems and Values 1 Course (3 cr.), **Non-Business Elective** (3-4 cr.)

= 15-17 credits

In Spring 2024: think about for you...

- Move from **MATH 1400** to **BUAD 1560** (note: to register for BUAD 1560, BUAD 1060 must be complete or fully enrolled in for spring prior to registering for BUAD 1560; as it's a prereq.)
  - If **MATH 1200** is taken in fall semester → **MATH 1400** in spring, then BUAD 1560 in summer or fall 2024.

- Did you take **BUAD 1001** or **BUAD 1060** in fall semester? Whichever isn't complete, plan to take in spring so that both are complete by end of your first year.

- Move ahead from **ACCO 1030** to **ACCO 1031**.

- Enroll in **ECON 1103**.

- What Marquette Core Curriculum Foundations courses are remaining from **ENGL 1001/PHIL 1001/THEO 1001/ESSV1** (options on side 2)? Select 1-2 for spring options.

- Do you need a non-business elective to reach your spring credit goals (typical options on side 2)? Accounting majors have 12 cr. required / Non-Accounting majors have 18 cr. required.

- If you brought in additional credits from AP or dual enrollment you may be off the typical plan, if you have completed 24 cr. by the end of fall semester you are “sophomore standing” and can register for business core courses like: **CMST 2300** (2 cr.) / **INSY 3001** (3 cr.) / **OSCM 3001** (3 cr.). Refer to the Business Introductory Course prerequisite list on the Advising Central website for more guidance.

How many total credits are you targeting: ____________ (5-6 courses in total)

Are you thinking of a J-Session (winter) or Summer course? Y/N

Think about cost and rigor of shorter online courses.

If summer, are you thinking at Marquette or elsewhere? If elsewhere refer to “Transfer Central” website for more information on process for equivalent courses. MU Business requires business and **MATH 1400** to be taken at MU.
MU BUSINESS: FALL 2023 FRESHMEN ADVISING WORKSHEET

Engaging Social Systems and Values 1 and Non-Business Elective Options

You may need to consider an Engaging Social Systems and Values 1 (ESSV1) or Non-Business Elective (NBE) course.
