

INTERNATIONAL BUSINESS MAJOR

Specific Course Requirements

This major cannot be a student's primary major and must accompany another major in business as a second major. Four courses in total must be completed from the functional and experiential and global perspective course options below. Students are also required to obtain working competency in a least one approved second language and complete an approved study abroad experience. For full major requirements visit the International Business Major Requirements page within bulletin.marquette.edu.

Students seeking an International Business major course must meet all listed prerequisites in order to enroll.

A minimum GPA of 2.000 must be earned in all College of Business Administration courses taken at Marquette University. A grade of C or higher must be earned in each of a student's major courses, including the core courses introducing the major. Credit is never given twice for the same course, with the exception of different sections of variable topic courses.

Course information and details are subject to change; find full course information on CheckMarq and bulletin.marquette.edu.
