Engaging Social Systems and Values 2 (ESSV2): Business Courses Cont.

Students with an Approved College of Business Administration Internship for Credit Course: Pair an internship work period with MARQ 3929 ESSV2 Reflective Analysis (0 cr.)

Students who have an internship that may provide an opportunity to explore the topics described in the MARQ 3929 course description are encouraged to consider this 0-credit course addition to their schedule. Please note: students must be participating in the 1 credit BUAD 2989 or a 3 credit XXXX 4989 course while enrolled in MARQ 3929 in fall or spring. In summer, students enrolled in the 1986 or 3986 courses will also be eligible.

MARQ 3929 Course Description: Taken in conjunction with a college-approved internship, externship, or coop, or with an independent community placement tracked through MUEngage to fulfill the Marquette Core Curriculum's ESSV2 requirement. Employ Ignatian pedagogical principles to reflect on the influence of social structures in the real world. Assess the systemic features of race, class, and gender in practical settings. Evaluate plans for contributing to equality and inclusion in the world today. 0 credit / S/U grading scale
