Minutes

Minutes from the December 8th meeting were moved and approved unanimously.

New Business

- 1) The institutional outcomes are addressed in the senior surveys whereas the core outcomes are addressed in the junior surveys. The committee decided to leave these as is with potential minor tweaking of the senior survey.
- 2) Finalization of the ICLO
Although Jane Peterson sent out questions after the last meeting, there were not enough to work with for finalized questions. The committee split into groups to work on completing the questions generated in the last meeting. After re-grouping the committee went through the questions to determine if any should be discarded. These final questions will be circulated by Monahan so that each committee member can review and rank the questions before the next meeting.
- 3) Chris Krueger will be giving an update on "Who Counts" at the next meeting.

Meeting adjourned at 4:45 p.m.

Respectfully submitted,

Michelle Mynlieff
