3. Krueger asked if the CCRC was willing to consider a core course proposal submitted 10.19.05, after the Oct. 15 deadline. The committee agreed that, given the brief period between the availability of the revised template and the submission deadline, they would in this instance consider a submission immediately, and not wait until the March 15 deadline. The committee wished it to be understood that they would attempt to complete their review of the proposal this semester, but could not guarantee completion.
4. The remainder of the meeting was devoted to drafting of UCCS Learning Outcomes. The chair agreed to make the draft available to members via email for further revisions.
5. Adjournment at 6 pm.
