

COVID Cheq Guide

For those **without a home computer/internet/printer/or smart device**

- Self-check before reporting to campus using COVID-19 Screening Guide.
 - If you pass you may report to campus.
 - If you do not pass, stay home, and call your supervisor, faculty chair, residence hall director and/or others who need to know.
- Once on campus, take the questionnaire from a campus computer and print the pass to keep with you to gain access to buildings or areas requiring one before entering.
- Your results will also be registered and sent to your Marquette email address.

For those with a home computer/internet/printer **but no smart device**

- Take the COVID Cheq survey on your home computer.
 - If you pass plan to report to campus.
 - If you do not pass, stay home, and call your supervisor, faculty chair, residence hall director and/or others who need to know.
- Your results will be registered and sent to your Marquette email address.
- If you are reporting to campus, print the results and bring it to campus with you.
- When you arrive on campus, print the pass if you need it to gain access to buildings requiring the pass.

For those with a home computer/internet/**but no printer or smart device**

- Take the COVID Cheq survey on your home computer.
 - If you pass plan to report to campus.
 - If you do not pass, stay home, and call your supervisor, faculty chair, residence hall director and/or others who need to know.
- Your results will be registered and sent to your Marquette email address.
- When you arrive on campus, locate the email, and print the pass to keep with you to gain access to buildings or areas requiring one before entering.
