

On Your Marq – Student Affairs in Higher Education Practicum Position

On Your Marq is a college success program designed to assist students on the autism spectrum in navigating the college landscape at Marquette University. Utilizing an interdisciplinary approach, formal and informal supports include weekly seminars, one-on-one coaching, and peer mentors to aid students in developing academic, social, and independent living skills. The first two years of the program focus on the student's transition to the rigors of academia. In the second two years of the program, On Your Marq works with students to identify strengths and skills to transfer to their career and life after college. Your unique knowledge and skills you are acquiring in your Student Affairs in Higher Education program would be an asset to the development and success of our program.
